

Privacy Policy

Simple Voice Calculator App

The Simple Voice Calculator service is provided by Ravi Heyne /// VITO SOFTWARE at no cost and is intended for use as is. This page is used to inform visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decided to use our app. If you choose to use our app, then you agree to the collection and use of information in relation to this policy. We will not use or share your information with anyone except as described in this Privacy Policy.

Information Collection and Use

For a better experience, while using our Service, we may require you to provide us with certain personally identifiable information. The information that we request will be retained by us and used as described in this privacy policy. The app does not currently use third-party services that collect information used to uniquely identify you.

Log Data

We want to inform you that whenever you use our app, in a case of an error in the app we collect data and information on your phone called Log Data. This Log Data may include information such as your device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics.

Service Providers

We employ third-party companies and individuals due to the following reasons:

- To facilitate our app
- To perform app-related services
- To assist us in analyzing how our app is used
- To report app crashes

We currently use anonymous data like device type, origin country, crash type, and settings solely to improve our app experience. We may, in the future, at our own discretion, implement additional service providers to perform one or more of the actions above. We collaborate with Mixpanel and Sentry.io, both of which undergo rigorous third-party audits to ensure compliance.

Children's Privacy

These Services do not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13 years of age. In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to do the necessary actions.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. This policy is effective as of 03.01.24
